Highlights

- We are proud to have improved our Student Learning Engagement from 82% to 87%. This significant growth reflects the success of our focused efforts to foster active participation, meaningful learning experiences, and a supportive school environment.
- While prioritizing increased engagement, we successfully maintained our strong results in Education Quality. This achievement highlights our ability to balance innovation with consistency, ensuring students continue to benefit from a high standard of teaching and learning.
- Parent involvement remains a vital part of our school community. This year, our parent council expanded their efforts, organizing more school and family activities to strengthen the connection between families and the school.

Faith Survey Results

100% Percentage of parents who believe that their child seems interested to learn more about their faith because they attend Father Henri Voisin School.

99% Percentage of students would recommend Father Henri Voisin School to a friend.

100% Percentage of students who demonstrate that God teaches us to help others through their actions and service.

100% Percentage of students who identify there is at least one or more adults in my school who I trust and could go to for help.

Targeted Areas

We are committed to helping our students learn the importance of respecting themselves and one another, actively supporting their community, and striving to put forth their best effort in all they do.

We aim to develop a more responsive and flexible model of student support to better accommodate the diverse needs of our students. By providing timely and targeted assistance, we can ensure every child receives the resources and care they need to thrive.

We want to empower our students to better demonstrate their learning and care for each other while contributing to a positive school culture where every individual feels valued and supported.

Future Priorities

Faith Priority

This school year, we will focus on building a strong sense of service in our students, rooted in Catholic teachings, to help them live out their faith in meaningful ways.

Student Learning Priorities

Enhance curricular connections by integrating engaging activities, such as those in our Maker Space, to create more hands-on and impactful learning experiences.

Continue to develop and implement high-engagement activities aligned with the New Curriculum, ensuring students are actively involved in their learning while meeting educational standards.
